

COMMUNITY SERVICE PROGRAM REQUEST FOR PROPOSAL

THIS IS ZONTA:

Zonta Mission Statement:

"Zonta International is a leading global organization of professionals empowering women worldwide through service and advocacy"

Since 1919, Zonta members have worked to improve the legislative, political, economic, educational, health and professional status of women throughout the world.

One Woman at a time;

One Community at a time.

Zonta International envisions a world in which women's rights are human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men. In such a world, no woman lives in fear of violence.

Zontians volunteer their time, talents and energy to local and international service projects that are designed to empower women.

The Zonta Club of Anchorage takes great pride in being part of a legacy of progress and perseverance.
